“WE STRIVE TO PUT AN END TO SEXUAL AND DOMESTIC VIOLENCE AND ADVOCATE FOR PERSONAL AND SOCIETAL CHANGE THROUGH CRISIS INTERVENTION AND EDUCATION.”

Do you ever feel...

NERVOUS when your partner texts or calls you?

AFRAID of how your partner might react to something you did or did not do?

CONCERNED for your safety?

WORRIED about what people would think if they knew what was happening?

ASHAMED of how your partner is treating you?

INTIMIDATED by your partners drastic mood swings?

THREATENED by your partner keeping track of you and your activities?

GUILTY when you don't give in or say yes to your partner?

CONTROLLED because your partner tells you what you can(not) wear, who you can(not) talk to, what you can(not) do?

BLAMED for your partners problems and feelings?

Unhealthy relationships are based on **POWER** and **CONTROL**

Nearly **1.5 million** high school students experience physical abuse from a dating partner in a single year.

1 in 3 youth in the U.S. is a victim of physical, sexual, emotional, or verbal abuse from a dating partner.

1 in 10 high school students has been purposefully hit, slapped, or physically hurt by a boyfriend or girlfriend.

if you are a minor...

According to RCW 26.44.030, all SafePlace advocates are Mandated Reporters.

This means that if we have information that a person under the age of 18 is experiencing abuse or neglect, we must report that to Child Protective Services. We will review this with clients under the age of 18 so that they may choose what information they share with us while they are receiving services.
